

Twin Holy Days

Birth of the Báb
Birth of Bahá'u'lláh

"Blessed art thou, O night! For through thee was born the Day of God, a Day which We have ordained to be the lamp of salvation unto the denizens of the cities of names, the chalice of victory unto the champions of the arenas of eternity, and the dawning-place of joy and exultation unto all creation."

-Bahá'u'lláh
